

## FOREWORD

The following volume consists of research that the Nonproliferation Policy Education Center (NPEC) commissioned and vetted in 2008 and 2009. It is part of a larger project that was published as *Pakistan's Nuclear Future: Worries Beyond War*.

*Pakistan's Nuclear Future: Reining In the Risk* is the 12th collaboration with the Strategic Studies Institute (SSI). Special thanks are due to Tamara Mitchell and Dan Arnaudo for assisting with the editing of the original manuscript. To the book's authors, the SSI editorial staff, and all those who made this book possible, NPEC is indebted.
